## **Open enrollment deadline for 2010-2011 draws near**

DYSART SCHOOLS — The Dysart School District open enrollment deadline for the 2010-2011 school year is just a few days away. The deadline for open enrollment applications for the 2010-2011 school year is February 12, 2010. The deadline also applies to applications for high school signature programs and for concept school enrollment to Canyon Ridge School. Each of the enrollment applications can be found at [www.dysart.org](http://www.dysart.org) on the front page of the website. The Dysart open enrollment application is only available online. Parents who need access to an online computer may visit any district school or the Dysart Education Center to use the computer kiosks to access the application.

Open enrollment provides an opportunity for parents to request students attend a school outside of their home boundary. Signature program enrollment for high school students and concept school enrollment for Canyon Ridge School also provide additional opportunities for parents to request students attend a school outside of their home boundary. For more information about Dysart enrollment options, please visit [www.dysart.org](http://www.dysart.org) or call 623.876.7018.
