FOR IMMEDIATE RELEASE — FEBRUARY 17, 2010

Dysart offers college 101 fair

DYSART SCHOOLS — High school students look forward to graduating from their school and moving on to college. Parents are often excited about the opportunities that await their high school student beyond high school graduation. However, many questions about college admission, requirements, financial aid and expectations often go unanswered. To help provide the answers to these questions and many more, the Dysart Unified School District is offering a College 101 fair to its high school students and parents.

High School students in the Dysart School District have the opportunity to meet with representatives from many colleges during Dysart's College 101. This college fair will provide parents and students the chance to get answers to questions regarding all aspects of college. The Dysart College 101 fair will be on March 8 from 6:00 – 8:00 p.m. at Valley Vista High School.

High school parents and students are invited to come to the College 101 Fair and receive all of the information needed to plan for education after high school. Colleges represented at the Dysart College 101 Fair include the list below and many more:

Arizona State University
Northern Arizona University
University of Arizona
Universal Technical Institute
Collins College
Maricopa Community Colleges
