FOR IMMEDIATE RELEASE — MARCH 26, 2010

Pre-kindergarten enrollment set to begin

DYSART SCHOOLS — The Dysart Unified School Districts' Community Education Department announces open registration for their licensed Pre-Kindergarten rooms starting April 5, 2010. There are limited spaces available so please register early.

The Preschools will be located at Sonoran Heights Elementary School and the Dysart High School Child Development Center. The P.R.E.P. (Preparation and Readiness Education Program) Academy will prepare your young child for their first school experience. To take on the world, your child will need a solid foundation of learning. So for their first experience, why would you choose anything other than a school that has proven its capacity for quality learning?

At this fun and enriching hands-on program, children attend school five days a week from 8:45 am until 3:30 pm. and will follow the school calendar for holidays, breaks, and parent teacher conferences. Best of all, tuition for this incredible program is extremely competitive (\$165 per week with extended care and \$150 per week for class time only), DES is accepted and there are discounts for additional children within the same family. The extended program offers a drop off as early as 6:00 am and pick up as late as 6:00 pm and child care during those non school day sessions will be offered for an extra fee if needed. Breakfast and lunch are included in this price and an afternoon snack is included in the extended care option. Children must meet minimum age requirements to be eligible to register. The child must be 4 years of age by September 1st, 2010 and not older than 5 years of age (for those that did not make the Kindergarten cut off date of September 1, 2010). Children must be potty-trained.

You will need to bring to registration:

- Birth Certificate
- Immunization Records including Hepatitis A
- Information for three emergency contacts (name, address, telephone number)
- Address of Doctor and hospital

For registration information, please contact the Community Education Department at 623-876-7056 or 623-876-7979. There is a one time registration fee of \$50 per child to cover the administration fees and Arizona Department of Health Services licensing fees. This registration fee, as well as payment for the first week, is due and payable at the time of registration. Space is limited to 20 students per site with a total of 60 open spots.
