**FOR IMMEDIATE RELEASE — APRIL 12, 2010**

## **Dysart instructional materials available for review**

DYSART SCHOOLS — The Dysart Unified School District announces that members of Dysart’s textbook adoption committee will evaluate supplemental materials being considered for Engineering Sciences, Drafting and Design Technologies, Transportation Technologies and Financial Planning and Medical Planning materials. The instructional materials will be on display from April 12 to June 10, 2010 at the Dysart Support Facility located at 13825 W. Desert Cove Road, in Surprise. Parents and community members are invited to view the materials during these dates.

Committee members will also meet during these months at the Dysart Education Center. The meetings, which are open to the public, will be announced at a later date. The proposed selection will be presented for consideration to the Governing Board at a meeting in June, 2010.

For more information about viewing the material, please contact Millie Martinez in the Educational Services Department for the Dysart Unified School District at 623.876.7921.
