DYSART SCHOOLS — The Dysart Unified School District announces dates for gifted testing for the 2009-2010 school year. Referrals for the fall gifted testing are due by August 28 and testing will take place between September 8 and 25. The fall testing dates reflect a change from previous years, providing an opportunity for earlier identification and delivery of appropriate gifted services. The spring testing referral deadline is January 29. Spring testing will be conducted from February 8 through 26.

The referral deadline for kindergarten testing is February 5, and testing will take place between March 22 and 31.

Summer gifted testing will be offered in June, 2010. The referral deadline is June 11 and the testing dates are from July 12 through 23, 2010.
