FOR IMMEDIATE RELEASE — AUGUST 11, 2009

Dysart instructional materials available for review

DYSART SCHOOLS — Members of the Dysart Unified School District community are invited to review instructional materials for the district's new Engineering curriculum, grades 9-12, through October 8, at the Dysart Education Center, 15802 N. Parkview Place in Surprise.

The materials are scheduled to be presented to the governing board for consideration of approval in October. For more information about viewing the materials, please contact the district's educational services department at (623) 876-7000.
