**FOR IMMEDIATE RELEASE — AUGUST 24, 2009**

## Technology Plan committee members sought

DYSART SCHOOLS — The Dysart School District is seeking members for its Technology Plan committee. The committee is scheduled to meet once a month, beginning in November and concluding in March. The Technology Plan committee's purpose is to gather community, parent and student feedback for use of technology resources in Dysart Unified School District, to support both instruction and business operations. The committee will be charged with providing a recommendation for a technology plan which addresses the areas of integration, student access and student achievement per the Dysart Strategic Plan. Those interested in participating on the Technology plan committee should submit their interest via email to [communityrelations@dysart.org](mailto:communityrelations@dysart.org) or by calling 623.876.7195. The first meeting is scheduled for November 12.
