## **Dysart seeks feedback through community survey**

DYSART SCHOOLS — The Dysart School District is seeking parent, staff, student and community feedback through an online survey. The Dysart Strategic Plan survey can be found online at [www.dysart.org](http://www.dysart.org) and is open from October 19 through October 30.

In order to take the survey, participants must enter a pass code. Parents will receive a postcard from the district with their random pass code. Community members can receive a random pass code to take the survey by calling 623.876.7195. The survey is completely anonymous and the pass codes allow each participant to take the survey one time. The Dysart survey is available in both English and Spanish.

Survey results will be compiled by Progress Education Group and shared with the Governing Board as a part of the Dysart Strategic Plan endeavor. The results will be used as the district continues to work to accomplish the goals set forth in the Strategic Plan. The Dysart Strategic Plan can be viewed at [www.dysart.org](http://www.dysart.org) under the quick link, “Strategic Plan.”
