## **Dysart students celebrate Red Ribbon Week**

DYSART SCHOOLS — Students in the Dysart School District are participating in school activities, celebrating and learning the importance of National Red Ribbon Week. National Red Ribbon Week emphasizes the importance of living a drug free lifestyle through educational activities. Additionally, students utilize the six pillars of Character Counts as a part of their pledge to be good citizens.

Activities throughout the Dysart schools focus on drug free education. Dysart Elementary School students will receive a visit from Elroy the Elk, talking about the importance of staying drug free. Students at El Mirage Elementary will be involved in activities that follow the theme, “Hooked on books, not drugs.” Various activities are planned across the district. For more information about Red Ribbon Week, please contact your local school.
