Dysart extends survey deadline

DYSART SCHOOLS — To assure that all Dysart stakeholders have the opportunity to participate in the Dysart community survey, the district has extended the deadline to November 6. The Dysart School District is seeking parent, staff, student and community feedback through the online survey. The Dysart Strategic Plan survey can be found online at www.dysart.org and is open from October 19 through November 6.

In order to take the survey, participants have to enter a pass code. Parents have received a postcard from the district with their random pass code. Parents can also receive their pass code by calling 623.876.7195. Community members can receive a random pass code to take the survey by calling 623.876.7195. The survey is completely anonymous and the pass codes allow each participant to take the survey one time. The Dysart survey is available in both English and Spanish.

Survey results will be compiled by Progress Education Group and shared with the Governing Board as a part of the Dysart Strategic Plan endeavor. The results will be used as the district continues to work to accomplish the goals set forth in the Strategic Plan. The Dysart Strategic Plan can be viewed at www.dysart.org under the quick link, “Strategic Plan.”
