FOR IMMEDIATE RELEASE — NOVEMBER 5, 2009

Dysart invites student teachers to reception

DYSART SCHOOLS — The Dysart Unified School District is inviting student teachers within the district and across the valley to attend a student teacher reception on Monday, November 9. The student teacher reception, hosted by the district human resources department, will be held from 6:00 – 7:00 p.m. at the Dysart District Office.

The student teacher reception provides student teachers from across the valley the opportunity to meet and talk with school principals and district administrators. This long-standing Dysart tradition allows student teachers to become acquainted with the school district and for administrators to share information about their respective schools.

Those attending do not need to RSVP, simply come and enjoy a time of learning about the excellence within the Dysart School District. For more information about the student teacher reception, please call 623.876.7912. The Dysart District Office is located at 15802 N. Parkview Place, in Surprise.
