FOR IMMEDIATE RELEASE — NOVEMBER 24, 2009

New deadline for 2010-2011 open enrollment application

DYSART SCHOOLS — The Dysart School District has begun to accept open enrollment applications for the 2010-2011 school year. The application can be found online at www.dysart.org under the quick link, “Open Enrollment”. The Dysart open enrollment application is only available online. Parents who need access to an online computer may visit any district school or the Dysart Education Center to use the computer kiosks to access the application. Open enrollment provides an opportunity for parents to request students attend a school outside of their home boundary. Signature program enrollment for high school students is a separate process and not part of the open enrollment application.

At the November 18, 2009 Governing Board meeting, the Dysart Governing Board approved changes to the open enrollment policy, JFB. The changes to the open enrollment policy include a new deadline for submitting the applications. Open enrollment applications must now be submitted on or before the second Friday in February (February 12, 2010). For more information about Dysart open enrollment, please visit www.dysart.org or call 623.876.7018.
