FOR IMMEDIATE RELEASE — DECEMBER 16, 2009

High school Signature Program / Concept school enrollment begins

DYSART SCHOOLS — The Dysart School District announces the opening of high school Signature Program enrollment as well as concept school enrollment at Canyon Ridge School for the 2010-2011 school year. Enrollment in each program is not guaranteed, rather dependent upon available space. Enrollment applications for each program, as well as open enrollment, are due by February 12, 2010.

High school Signature Programs provide students the opportunity to participate in career and technical education courses at each high school. The programs, unique to each of Dysart's four high schools, are open for enrollment to students throughout the school district. A list of Signature Programs as well as the Signature Program enrollment application can be found at <http://www.dysart.org/parentsandStudents/signature/>.

Concept school enrollment applications for Canyon Ridge School are now available at <http://www.dysart.org/schools/concept/>. Canyon Ridge, Dysart's first concept school, emphasizes math and science through real-life application as well as an integration of technology. Parents may apply to be a part of the waiting list for concept school enrollment through February 12, 2010.
