Valley Vista to host athletic recruiting presentation

DYSART SCHOOLS — Valley Vista High School will host Jack Renkens, a national recruiting expert who has been featured on numerous TV and radio shows across the country. Dysart parents and their student-athletes are invited to attend this entertaining, straightforward presentation regarding college athletics. The 60-minute presentation will be held on Wednesday, February 8 at 6:30 p.m., at the Valley Vista High School auditorium, 15550 N. Parkview Place, in Surprise.

Many high school players have the ultimate dream to earn an athletic scholarship and play their favorite sport at the collegiate level. Jack knows that more kids can play in college if they understand their options. Jack will give the families the straight talk on actual scholarship offers, NCAA Eligibility Center, Recruiting Letters, home recruiting visits, official paid visits, traveling clubs, summer showcases, and much, much more!

For more information regarding this event, please contact Jim Braden, Dysart Director of Athletics and Activities, at 623.876.7962.
