FOR IMMEDIATE RELEASE — AUGUST 17, 2011

Dysart Parent Portal available for all schools

DYSART SCHOOLS — The Dysart School District is proud to host the district’s Parent Portal, available to all parents throughout the district. The Parent Portal is a one-stop online location where parents can view their student’s assignments, grades, attendance and more in a real-time environment. Dysart has provided parents with an online grade book to view in the past, but the new Parent Portal goes far beyond the grade book.

To log into the Parent Portal, simply visit www.dysart.org/parents, click on the “Sign Up” button in the upper right-hand corner and create your parent account. Once the account is created, parents have access to their children’s information.
