Dysart reading materials available for review

DYSART SCHOOLS — The Dysart Unified School District announces that members of Dysart’s textbook adoption committee will evaluate materials being considered for the supplemental novel list.

The supplemental novel list will be on display online from September 1 to November 1, 2011. Parents and community members are invited to view the materials during these dates by visiting www.Titlewave.com. After accessing the website, users can log-in with the user name: dysart1 and the password: books. On the right side of the home page the user will see the list of titles and can open to view more information about each title.

The proposed selection will be presented for consideration to the Governing Board at a meeting after November 1, 2011.

For more information about viewing the material, please contact Peggy Gregory in the Educational Services Department for the Dysart Unified School District at 623.876.7172.
