FOR IMMEDIATE RELEASE — SEPTEMBER 30, 2011

Dysart students celebrate Constitution Day

DYSART SCHOOLS — Each year students in the Dysart School District, and across the nation participate in activities to celebrate Constitution Day. National Constitution Day, celebrated this year on September 16, provides Dysart teachers and students the opportunity to participate in historical lessons and activities that celebrate the day. To commemorate this year's occasion, the Dysart School District created a spotlight video for the community. The Constitution Day video can be seen at www.dysart.org.
