**FOR IMMEDIATE RELEASE — DECEMBER 9, 2011**

## **Sunset Hills awarded grant for reading technology**

DYSART SCHOOLS — Sunset Hills Elementary School was awarded a \$5,500 grant from the Peoria Diamond Club (PDC) which will pay for twenty Kindle Touches and over 200 e-books. The Kindles and e-books will increase reading interest and the availability of reading materials through the use of technology. PDC is a non-profit organization whose volunteers participate in the daily operation of the Seattle Mariners and San Diego Padres Spring Training at the Peoria Sports Complex. Proceeds from the Peoria Diamond Club Charity Game, along with revenues generated throughout spring training, are donated to local community youth programs through the PDC's highly successful grant program, which assists youth in developing educational and/or athletic skills and goals. Sunset Hills was awarded the total grant amount requested to fund this reading enhancement program.
