FOR IMMEDIATE RELEASE — DECEMBER 21, 2011

Dysart accepting open enrollment applications for 2012-2013

DYSART SCHOOLS — The Dysart School District has begun to accept open enrollment applications for the 2012-2013 school year. The application can be found online at www.dysart.org under the quick link, “Open Enrollment”. The Dysart open enrollment application is only available online. Parents who need access to an online computer may visit any district school or the Dysart Education Center to use the computer kiosks to access the application. Open enrollment provides school choice opportunities for parents to request students attend a school outside of their home boundary and includes Dysart’s new Arts Academy at Desert Moon, Cambridge Academy at Marley Park, Integrated STEM Concept and Canyon Ridge and students formerly enrolled through high school signature programs or concept school enrollment.

Open enrollment applications are due on or before the second Friday in February (February 10, 2012). For more information about Dysart open enrollment, please visit www.dysart.org or call 623.876.7018.
