

STUDENT INSURANCE

Governing Board Policy JLA – Student Insurance states:

“The Board may provide or make available a student health benefits insurance program for the District. The program will be conducted at no expense to the District. (The District cannot pay for health benefits plan insurance out of monies from the School District's maintenance and operation budget.)

The Superintendent will provide to parents or guardians information on student health benefits insurance if such insurance is available.”

For the 2011-12 school year, the district has contracted with **K&K Insurance** to provide information to parents regarding affordable insurance for students. *Please note that the insurance provider for the 2011-12 school year has changed from the previous provider.*

The link for parents to access K&K Insurance is available at www.dysart.org under “Student Insurance”, or parents may go directly to <http://www.kandkinsurance.com/sites/K12Voluntary/Pages/Home.aspx> to enroll their children in the program.
