- IRS may determine that annual net revenue of the organization is subject to Federal income tax

OPERATION AND FINANCIAL RESPONSIBILITY
- Obtain approval and support from School Administrator.
- Dysart employees are to be in advisory roles only. They may not be officers of the organization or signers on the checking account.
- Develop and adopt organization by-laws (governing document) and standing operating rules/procedures. These documents should include provisions for amendments.
- Establish officers of the organization (usually: President, Vice-President, Secretary, and Treasurer).

  - All activity on the bank statement should be reconciled
  - Copies of report and bank statement should be made available to all officers monthly and any other members that request
  - Officers should vote approval of the financial report after presented in a public meeting
- Bank account that requires two approvals/signatures for all expenses.
- Monthly bank statements should be mailed to the school address, not an individual’s home.
- An annual audit should be conducted by an independent third party (does not have to be a CPA).
- Money collected through fundraisers and other organization activities should be accounted for, verified by, and prepared for bank deposit by two individuals.
- Minutes of each officer and membership meeting should be produced, distributed to members, and maintained for at least three years.
- The Arizona School Risk Retention Trust insurance policy includes limited liability coverage for a Dysart Parent Support Organization as long as their meetings and activities are approved by a school administrator. **Failure to obtain a school administrator’s approval would put the organization at risk.**
- Fundraising activities must be approved and agreed to by a School Administrator (use Fundraising Approval Form – Appendix).
FUNDRAISING GUIDELINES

Activities that are done for the purpose of fundraising must be initiated, sponsored, and recorded by one of the following per District Policy Section 10.37:

- A Dysart authorized student club. Activity must be recorded in a Dysart managed student activities account. Refer to the Student Activities Handbook for details.
- A Dysart recognized parent support organization. Receipts and expenditures must be recorded in a parent support organization bank account.

Dysart employees may not hold fundraisers without one of these sponsorships.

Fundraisers that are recorded by the district in a student club cannot originate from raffles or any other type of gambling activity, such as chance to win.

Fundraisers sponsored by a Dysart student club must follow District Policy Section 10.37 – Student Fundraising Activities and the Dysart Student Activities Handbook.

Note: Fundraising activities that cause district students to go into the community to make sales on a door-to-door basis are strictly prohibited.

A Parent Support Organization may participate in a joint fundraising project with a student club. The proceeds should be allocated proportionately between the two organizations based on the level of effort devoted by each group on the fundraiser per Attorney General Opinion I84-032. Fundraisers that are co-sponsored by a parent support organization and student club must have a pre-arranged division of revenue between the groups before the activity begins.

The approval process for fundraisers must be followed using the DUSD Fundraising Approval Form (appendix).

Fundraising activities on school premises or elsewhere involving students may not interfere with the instructional time of any student.

**GIFTS AND DONATIONS**

**Public Gifts and Donations** – District Policy Section 11.3 – Public Gifts/Donations to Schools

This policy allows the Governing Board to accept gifts and donations. It also reserves the right for the Board to refuse gifts. All gifts and donations become the property of the District. The policy and procedures establish the criteria for appropriateness and acceptability of gifts and donations.

**Practical Considerations for Parent Support Organizations**

Donations of equipment, buildings and permanent or semi-permanent structures must go through the acceptance process established by the Governing Board. This means that according to policy, parent support organizations should consult with district administration on the appropriateness of such gifts.

The Superintendent has requested that all such requests be processed to the Superintendent’s office through the site or building administrator. The site or building administrator will consult with the appropriate district personnel to determine appropriateness and feasibility of accepting, as well as the installation of equipment, building and permanent or semi-permanent structures.

The site or building administrator is responsible for initiating and following through on the acceptance process.

**IMPORTANT NOTICE:**

Without final notice from the Superintendent and the Governing Board, Parent Support Organizations should not purchase the items to donate to the district. The required best practice is to donate the dollar amount to the district and the district procures items that are capital or building modification in nature.

MARICOPA COUNTY FOOD PERMITTING GUIDELINES

Per Maricopa County Environmental Services, any activity for providing food to the public must have a permit unless the food is pre-packaged, non-refrigerated and comes from a commercial kitchen.

Parent Support Organizations which intend to sell food that meets the Maricopa County guidelines for requiring a permit can accomplish this in two ways:

- If the event is to be held off district property - contact Maricopa County Environmental at 602-506-6980 and obtain the necessary permit.
- If the event is to be held on district property
  - A Parent Support Organization which has been approved by the Dysart Governing Board may utilize the school kitchen to meet the Maricopa County’s permit requirement. The use of a school kitchen requires a Food Service employee to be present. Per the Food Permit Guidelines, the rate for a Food Service employee is $25 per hour.
  - A Parent Support Organization may obtain a permit from Maricopa County directly.

SMART SNACKS IN SCHOOLS – FOOD SALES AND FUNDRAISING

- Federal/USDA Smart Snacks in Schools regulation and District Policy 10.46 applies to all food and beverages sold to students in vending machines, snack bars, a la carte programs, student stores, fundraisers and school events during the school day.
