INTEGRATED ACTION PLAN DEVELOPMENT WORKSHEET

	<p>Primary Need: (head of fishbone)</p> <p>Curriculum being implemented with fidelity, data collection/analysis to show the outcome of implementation across all grade levels, and planning for interventions/enrichments that facilitate student mastery. Implementations of a cohesive Multi Tiered System of Support needs to be streamlined and followed with fidelity by all teams (academic and behavioral interventions implemented and analyzed regularly).</p>
	<p>Root Cause:</p> <p>Not all teachers are participating in data teams/PLCs and implementing curriculum and/or interventions in response to student assessment data.</p>
	<p>Needs Statement: (tail of fishbone)</p> <p>We need to provide training for further monitoring of how the new curriculum (Florida Virtual) is being implemented and data collection/analysis of student mastery, especially with our ESS population. We need to consistently respond to students not mastering grade level content with interventions and re assessment/analysis until mastery is reached. PLC and data teams.</p>
	<p>Desired Outcome: (Needs statement restated in a positive)</p> <p>ALL students will achieve at higher levels and show growth as evidenced by formative assessments, district benchmarks and state AzMERIT assessments.</p>

SMART Goal: By Spring of 2021, assessment performance levels will increase in AzMERIT Reading, Math, and AIMS Science for all tested grade levels and ESS subpopulation.

- a. ELA - increase the percentage of students scoring proficient and highly proficient by 10%
- b. Math - increase the percentage of students scoring proficient and highly proficient by 10%.
- c. ELL - all minimally/partially proficient ELL students will improve by 10% in all tested areas
- d. ESS - all ESS minimally and partially proficient students will improve by 10% in all tested areas
- e. Science - increase of student scoring meets and exceeds by 10%.

SMART Goal: (Required for all D, F, CSI and TSI schools) By May of 2021, 6th-8th grade Ashton Ranch Elementary School ESS students and all students in the bottom 25% based on past assessment data will demonstrate grade level proficiency and/or show ten percentage points of growth from AzMERIT 2019 to AzMERIT 2021 in both ELA and math.
Impact: (AzMerit)

<p>Benchmark Assessment scores by student and continued analysis of assessment data; Team will discuss with PLC during Monday PLC time and begin to utilize the process while having student assessment data discussions. They will develop and use data collection tools consistently in their meetings as they analyze formative assessments throughout the year. Teachers will identify ESS students that need further support through tutoring after school.</p>	<p>Monitoring</p>	<p>data to intervene and/or enrich for students not meeting or exceeding grade level priority standards.</p> <p>All teachers will collect and analyze common formative assessment data and be ready to discuss in weekly PLC meetings. They will discuss strategies to intervene or enrich when needed and effectively utilize Tier 2 time.</p> <p>Admin will monitor data and progress to determine effectiveness of data teams and implemented interventions.</p>		<p>Continuous data analysis throughout the year</p>	<p>Use of intervention to impact student mastery skill by skill</p>		
<p>Strategy #2: West Ed Partnership: PLC focus on aligned instruction and assessment data analysis.</p>	<p>WestEd Partnership - Year two: Focus on Objectives, DOK, Engagement,</p>	<p>In year one of our WestEd Partnership, we will be focused on objectives and</p>	<p>Angela Allen Jillian Strong Laura Orcutt PLC Teams</p>	<p>Throughout the year</p>	<p>PLC minutes Classroom walkthrough data (CES, WesEd tool,</p>

Strategy #3: Professional development opportunities aligned to response to intervention: <ul style="list-style-type: none"> Implementation and fidelity with 95% in K-3. 	Training and implementation of intervention pieces for ELA and math.		Angela Allen Jillian Strong Laura Orcutt	Throughout the year	ESSA Evidence Rating		
Strategy 4: Instructional cabinet members (8) and ESS resource teachers (3) will participate in a book study around <i>Data Teams Experience: A Guide for Effective Meetings</i> by Angela Peery.	Book order Read/discuss/plan	Order 13 books (11 team members, 1 dean, and 1 TLS). Team will read two chapter per week (8 chapters total) for four weeks and meet weekly to discuss and plan how they will share and implement with team.	Angela Allen (principal) Jillian Strong (dean) Laura Orcutt (TLS) 11 teacher leaders (IC & ESS)	Books will be read throughout first semester.			

<p>Strategy 5: Sub days to support PD and data analysis for 1/2 day for each classroom teacher.</p>	<p>Principle 3.3; Action Step-Substitutes will be provided in order to allow release time during the school day for grade level teams to meet and review MOY data, set goals and create action plans based on individual student needs, focusing on cohort data and students at the bottom 25% on AzMerit. Specific focus on ESS and general ed students in grades 6-8.</p>	<p>28 classroom teachers will have 1 half day scheduled for the data day professional development activity.</p>	<p>Angela Allen, Jillian Strong, Laura Orcutt and PLC teams.</p>	<p>November 2020 and February 2020</p>	<p>PLC meeting minutes, data collection and benchmark analysis tools. Action plan for intervention.</p>		
<p>Strategy 6: Implement after school tutoring for ESS students to work on mastery of grade level standards.</p>	<p>TSI - Targeted for ESS students. Goal is for ESS students to show growth on state assessments.</p>	<p>Six teachers will schedule after school tutoring for ESS students; gen ed teachers will provide resources and tasks for students to work on during tutoring time.</p>	<p>Angela Allen and six teachers (TBD).</p>	<p>After school tutoring will take place November 2020-April 2021.</p>	<p>Tutoring sign in sheets, parent permission forms, assessment data from BMs and AZM2 in math and ELA.</p>		

INTEGRATED ACTION PLAN DEVELOPMENT WORKSHEET

State Principle Here	<p>Primary Need: (head of fishbone)</p> <p>Higher levels of teacher, family and community involvement and leadership to further facilitate community pride. Need a strong PTA, currently low membership.</p>
	<p>Root Cause:</p> <p>Currently low involvement in the school community; not all teachers are involved in activities outside of academics, parents not involved, and not many options of events inside and outside of the school day.</p>
	<p>Needs Statement: (tail of fishbone)</p> <p>A system that regularly incorporates and includes teacher, family and community leadership and involvement to further facilitate community pride; increase the number of events. Need to be inclusive in all events and activities and promote participation across all stakeholders.</p>
	<p>Desired Outcome: (Needs statement restated in a positive)</p> <p>Student achievement goes up as community pride, involvement, and shared leadership increases. Parents, teachers, students, and community members will be involved in shared leadership and fostering a positive community</p>

SMART Goal: By the end of the 2020-2021 school year, Ashton Ranch Elementary School will develop a system that regularly incorporates teacher, student, family and community involvement to further facilitate community pride:

- increase the number of events available to our community by 10%
- Increase PTA membership (teachers and parents)

Impact: (AzMerit)

Process: By May 2020, the Ashton Ranch community will have an increase in PTA involvement and teacher led clubs/activities, and provide more opportunities for shared leadership among staff, students, and parents in committee and school decision making.

Items from the Fishbone	<p>Primary need: (head of fishbone)</p> <p>A collective belief in the attainment of all students achieving at high levels and the knowledge/practice of highly effective instructional strategies to help students meet academic and social/emotional needs.</p>
	<p>Root Cause:</p> <p>The delivery of rigorous, grade level, priority standards-based instruction is not always provided to all of the students based on beliefs about what students can and cannot do.</p>
	<p>Needs Statement: (tail of fishbone)</p> <p>Equity and culture training is needed to help develop and grow a collective belief that all students can achieve at high levels among all staff members at Ashton Ranch Elementary School.</p>
	<p>Desired Outcome: (Needs statement restated in a positive)</p> <p>Students will benefit from a collective belief: increased belief in themselves and effort which will lead to growth on district and state assessments.</p>

SMART Goal: (Required for all D, F, CSI and TSI schools)

Impact: (AzMerit)

Process: By December of 2020, 100% of staff members at Ashton Ranch Elementary School will regularly develop and deliver rigorous, grade-level instruction using provided curriculum, priority standards, and data driven interventions to all students as evidenced by classroom observation data.
