### **Communication with our community**

Spoke about being chosen for safe routes to school survey. Will be having a walk about before school, during the start of the day and at the end of the day to see dimissal and proceedures on 1-16-18. How can we make it better and safer for our students and community. We are asking for site council to participate and include PTSA Members and a crossing guard. Surveys have been sent home for parents to fill out and return and teachers will be getting one to take with the class. There will be a community meeting on March 1st after the Family Literacy Night.

### **Next Month Agenda Items**

We will go over how websites are doing and answer any questions about it.

Approve any activites turned in for approval.

Talk about any New news for Safe Routes to School.
