

SCHOOL NEWS

SONORAN HEIGHTS ELEMENTARY SCHOOL

Greetings Hawk Families!

AzMERIT testing is around the corner and will take place from April 9th - April 23th on our campus. This assessment will test students on the Arizona College and Career Readiness Standards that have been taught throughout the school year. Testing will be done online by all 3rd-8th grade students in the areas of math, reading, writing and science. Our testing schedule is as follows:

AzMERIT Assessment

April 9th - Writing - Grades 3rd-8th

April 16th - Science Grades 4th & 8th

April 18th & 19th - Math - Grades 3rd-8th

April 22 & 23rd - Reading - Grades 3rd-8th

It is very important that students are present and on time each day of testing. You can also help prepare your student by making sure they get a good night's rest and eat a healthy breakfast. If a student needs to leave once they have begun testing, they will be unable to make up that section of the test. Please make every effort to schedule all appointments around your child's testing days and times.

Students will also need headphones or earbuds for their assessment. We have some available for student use, but we are encouraging students to bring their own. If your child would like to use their own headphones, please have them bring them every day that they are testing. If you have a computer with internet access at home, please go to the Arizona Department of Education website (<http://azmeritportal.org/>) where you can find resources and information on the AzMERIT assessment. Thank you in advance for your support during the testing process.

Thank you,

Andrew Frazier
