

SCHOOL NEWS

SONORAN HEIGHTS ELEMENTARY SCHOOL

February 2021

Greetings Hawk Families!

We have entered the heart of the year. It is time to remain focused on our last couple months of instruction before our state assessment, the AzM2. At this point in time, the Arizona Department of Education is still planning to administer the assessment to all third through eighth graders. As a campus we have reviewed, planned and prepared our instruction for the rest of the year. We have taken a prescriptive approach to ensure that we meet the needs of all students. As we approach the AzM2 state assessment in April, we will also be having a district benchmark assessment along the way in late February to use as a gauge of where our students are at in relation to the standards.

Communication and collaboration are two very important characteristics we believe in at Sonoran Heights. We will be inviting you and your child for parent teacher conferences coming up during the week of February 8th. We look forward to seeing you virtually and continue our partnership together.

Thank you,

Andrew Frazier
