Greetings Hawk Families!

It is incredible to think that we are already over a month into the 21-22 school year. We are off to an amazing start in our inaugural middle school year! Thank you to all of our students, families and staff for your flexibility, patience and support to make the kick off of the year a very smooth one. Each day and every period our staff are focused on student learning; instructing lessons from bell to bell during our fifty minute periods. We look forward to continuing our emphasis on standards based learning while ensuring the safety of all of our students. We thank you for being a continued partner with us to always do what is best for your child.
