Western Peaks First Grade Student Supply List 2021-2022

Arizona law requires that public schools provide the supplies required for academic success. All materials required for a student’s education will be provided by the Dysart Unified School District. This supply list represents general, optional items which you may supply at your discretion. Please check with your K-8 school and child’s teacher for an optional supply list before purchasing any supplies. If you have questions regarding the optional supply list, please contact your K-8 school.
