Good Afternoon Falcon Family,

We have a very short week up ahead! Please remember that there is no school on Wednesday-Friday for the Thanksgiving break. I would like to express my sincere gratitude for the truly amazing students, parents, and staff at Western Peaks! We have an outstanding community and I am appreciative of everyone’s support! I am wishing you all a wonderful Thanksgiving holiday, filled with family and friends!

In this season of gratitude, our Western Peaks Student Council is selling Thankful Grams for $1 each. Students will need to complete a Gram (click here to print) and return it with the money before school, in the upstairs hallway or turn it into their teacher. Sales will continue until November 29th. The grams (the note with a treat) will be delivered to children on November 30th.

We appreciate all of the donations that have come in so far during our food drive! Please keep sending in non-perishable donations between through December 6th. Please help us spread kindness in our community as we support families in need & our local food banks. See this flyer for more details.

At Western Peaks, we really believe we have an awesome Falcon Family! If you would like to tell us about a teacher or other staff member you are thankful for, we invite parents, students, and community members to share celebrations about our amazing staff. If you would like to share with us a celebration, or a fantastic experience you had with one of our staff members, please fill out this short form.

We also appreciate positive reviews of our school on the GreatSchools.org website. You can submit a review using this link. Thank you!

Sincerely,
Principal Brown
