Good Afternoon Falcon Family,

I am completely blown away and in awe of the support from our community for our first fundraiser, the Read-a-Thon! Through your generosity, we raised $35,945!!! This far exceeds our original goal. With your donations, we will be able to purchase and install more shade structures on campus. Thank you for your kind and generous support!!! You are AMAZING!!!

Next up, our PTSA will be holding a Book Fair! This is a great way to expand your child’s at home library! Please see this letter for details.

This past Thursday I had the opportunity to treat our August PBIS prize winners to a special treat of giant otter pops. These students also received a Falcon Flyer award, and have their pictures displayed on our PBIS bulletin board. Students are demonstrating our Falcon Family expectations to be Respectful, Responsible, and Kind each day at school! I hope you are seeing them display these qualities at home and in the community as well!

Are you looking for a job, or do you know someone who is? Western Peaks is currently looking to hire paraprofessionals (classroom aides) in our special education classrooms. You can apply online at this link. Just list Western Peaks as your preferred location.
