SCHOOL

**Mountain View School
Site Council
February 7-14, 2019
Emergency Vote**

The Site Council at Mountain View held an emergency vote via email beginning on Thursday, February 7.

The MVS 5th grade requested use of Tax Credit funds to cover the cost of securing charter buses for their field trip to the Arizona Science Center on Wednesday, April 17, 2019. A request for quotes will be sent to Dysart Transportation; offers from the charter company must be accepted within 5 business days.

The fifth grade team requested funds not to exceed \$1700 to secure the charter buses for this trip. Due to Site Council members being unable to attend both on January 29, 2019, and on the rescheduled meeting for February 6th, and a quorum was not present, the Chair requested an electronic vote in accordance with the Mountain View School Site Council by-laws.

These proceedings will be reviewed at the next meeting and included in the meeting agenda and notes for that meeting. The responses of all the Site Council members is attached below:

Honoring all students...

On the path of excellence...

Motivating lifelong learners...

Encouraging college and career readiness...

The Mountain View family is empowered to consistently setting high expectations where everyone is safe, respected, engaged and productive in the learning community. We engage in authentic learning experiences that foster critical thinking, creativity, communication, and collaboration, which are measured through diverse methods. This is our mission... Welcome HOME!

Ayers, Rachel <rachel.ayers@dysart.org> Thu, Feb 7, 2019 at 11:44 am

Good morning,

We have attempted to hold a Site Council meeting on January 29, 2019, and February 6, 2019. Both times, the majority of the membership had to cancel at the last minute, and we did not have a quorum.

Since there is one urgent matter that needs to be addressed, the Chair, Principal Miller, has requested an electronic vote.

The MVS 5th grade team is planning a field trip to the Arizona Science Center in April and would like to utilize charter buses. The 5th grade team is therefore requesting funds from 5500, School Designate, not to exceed \$1500.00 to help secure charter buses.

We currently have \$12,877.54 in School Designate funds. Please kindly reply to this email with a Yes or No vote.

Thank you.

Rachel Ayers
