Site Council
January 10, 2019
Emergency Vote**

The Site Council at Mountain View held an emergency vote via email on Thursday, January 10, 2019. The MVS 2nd grade requested use of Tax Credit funds to cover the cost of securing charter buses for their field trip to the Butterfly Wonderland on Friday, March 29, 2019. Dysart Transportation secured quotes from three companies; the best quote was from Allaboardamerica.com for \$1380.

The second grade team requested funds not to exceed \$1400 to secure the charter buses for this trip. Since the Site Council will not be meeting until January 29th, and the charter buses must be reserved within five days of receiving the quote, an electronic vote was held in accordance with the Site Council by-laws.

These proceedings will be reviewed at the January 29th meeting and included in the meeting agenda and notes for that meeting. The responses of all the Site Council members is attached below:

Good morning,

Our second grade class is planning a field trip to the Butterfly Wonderland Museum at the end of March. In order to go, the school will need to utilize charter buses rather than Dysart yellow buses. We have received quotes from Transportation, and the best quote comes from Allboardamerica.com - two buses for a total of \$1,380.00. The school only has a few days to confirm with the charter buses.

The second grade team is asking if Site Council would approve a purchase order utilizing 5500-School May Designate funds to Dysart Transportation for charter buses not to exceed \$1,400 (to account for tax/fees).

We currently have \$14,287.92 in 5500 funds. Please kindly reply to this email with a Yes or No vote.

Thank you,

Rachel Ayers
