Virtual Meeting Minutes #4

1. Review of previous business and council membership

Members Present: Ann Mitchell, Jill Hoppe, Melissa Bennett and Christopher Raso. Members Absent: Michele Caruso, Andrew Griesel.

Welcome back to long time council member Melissa Bennett! She has rejoined Canyon Ridge, and the Ste Council, after a brief leave of absence.

2. Balance of tax expenditures by category

**School May Designate \$ 14,892.08
Athletics \$ 2,705.56
Fine Arts \$ 6,488.28
Enrichment \$ 6,142.43**

C. Raso mentioned that the Athletics account is still self -perpetuating based on pay for play fees and a recent encumbrance of \$2278.77 is reflected in the current balance.

It is also estimated that the School May Designate account will reflect a balance of between \$10,000 and \$12,000 as we move into the next academic year. Approved items from previous meetings will likely be deducted from the current balance in the next few months ahead.

3. Current tax expenditure applications from staff

There are no pending tax expenditure applications to discuss at this time.

4. Suggestions regarding fundraising video clips and broadcasts

School administration and the Chair have spoken of offering all community stakeholders tangible examples of what activities are supported by the donation of tax credit funds. Brief video clips and photo montages, of campus activities supported by tax credits, can be produced and posted on various forms of social media. (Examples of such items, employed at other sites in the district, have been emailed to all of our current council members).

This technology approach can be supported by resources made available by the Public Relations Department of the Dysart Unified School District. The Chair asked for council member input and all those present agreed that this would be a good way to supplement the donation of tax credit funds. Melissa Bennett and Jill Hoppe suggested that areas that we could highlight include: robotics, sign language, NJHS, athletics and the outdoor classroom. Current photos, or those from recent previous years can be utilized as needed.

Ann Mitchell suggested that any technology-based images that we create should also be compatible with hard copy sources that we distribute; including the cover sheet provided with the paper tax credit donation packet. The chair agreed that this would be positive step and informed the council that will explore the next steps in production.

5. Call to the public for questions and comments

Our final Site Council meeting of the academic year will take place by Zoom on Monday, April 19, 2021 at 4:00 pm. A Google Invitation and meeting link will be sent to all members in the days leading to the meeting.

With all questions and agenda business concluded, the Canyon Ridge Site Council adjourned after 20 minutes of deliberations.
