Quarterly assembly for Pre-K: Author visit,

Career Assembly: brining in careers from outside in the community, colleges, public safety,

Ask students what they want. Google survey

High energy, combined, assembly right before we do the AZMerit, "you've done your best, now let's celebrate it". Guest speaker, based on benchmark 3 target scores,

7:38AM: Big push for tax monies. Money can now be used for capital expenses. How to make donations for tax credit, identify a huge purchase item and get teachers to push for collection. Setting up a booth for tax donations.

7:43AM: Every grade level has an after school club, for at least 4 meetings in a year. This would allow for out of school field trips (before, after, weekends, during breaks).

7:47AM: Getting a flowchart to Action Committee leads so they are aware of how Site Council can best support their practices. K-8 Leadership Club.

7:51AM: Bedolla is requesting assistance to purchase accessories for Drum Line. We will need additional information, specific items to purchase, and costs associated. This will be hosted via an email vote.

7:54AM: Regarding paid positions for being an activity advisor, we should talk to advisors and see what they would prefer for compensation and a determination of the number of hours they will allocate and dedicate to the position.

Mrs. Lawrence would prefer that NJHS advisor be paid like a coach given that the advisor is responsible for approximately 28 hours of commitment to meetings, ceremonies, and service projects. This will be a tabled discussion be held in October.

8:02AM: Meeting adjourned. Motioned by Lawrence. Seconded by Schrader.
