

## ARIZONA DEPARTMENT OF HEALTH

State Farm Stadium is in compliance with the most current regulations and mandates put forth by the Arizona health and government officials. Guidance for Graduations at State Farm Stadium is based on the [recommendations outlined by Arizona Department of Health Services](#).

## ATTENDEE REQUIREMENTS

Per the Centers for Disease Control and Prevention guidance, under all circumstances, the following precautions must be taken:

- Stay home if you are sick.
- Protect yourself at the event:
  - Stay at least 6 feet from other attendees.
  - Do not touch your eyes, nose, and mouth.
  - After the event, use hand sanitizer. When you return home, wash your hands with soap and water for at least 20 seconds.
  - Wear a cloth or disposable face covering over your nose and mouth.

## ENTERING THE STADIUM

When parking in the designated parking lot for your graduation, one space should be left between your vehicle and other vehicles in order to maintain social distancing at all times. Social distancing will be maintained when entering the stadium from parking lots through security and ticket scanning. **Only those with tickets will be allowed into State Farm Stadium.** Allow for extra arrival time into the stadium to find your designated seat and only sit in the seat assigned on your ticket. Follow the directions of State Farm Stadium staff members.

## EXITING THE STADIUM

Social distancing will be maintained when exiting the stadium. Follow directions of State Farm Stadium staff members for the most efficient process for exiting the stadium. Congregations will not be allowed on the exterior Plaza following graduation and it is recommended that those without tickets do not arrive at State Farm Stadium to meet graduates after the ceremony.

## STOP THE SPREAD OF COVID-19

### STOP THE SPREAD REDUCE YOUR RISK OF EXPOSURE TO COVID-19 AND OTHER VIRUSES

Stay home if you are sick, have flu-like symptoms, or a fever above 100 degrees.

Regularly wash your hands with soap and water for 20 seconds.

Use an alcohol-based hand sanitizer regularly throughout the day.

Avoid touching your face, nose, mouth, and eyes.

Cover your coughs and sneezes.

Avoid shaking hands and coming in close contact with others who may be ill.

Practice social distancing by keeping at least 6 feet away from others when possible.
