

School Goals 2025-2026

SMART	GOAL 1	GOAL 2	GOAL 3	GOAL 4
Specific	Increase the frequency and quality of communication between staff and students, as well as staff and parents/guardians, by implementing structured communication strategies.	Reduce student absences and tardies by implementing targeted interventions, including early identification, personalized outreach, and the establishment of attendance incentives.	Implement a structured credit recovery program that provides personalized learning paths, regular progress monitoring, and targeted support to help students get back on track for graduation.	All Sundown seniors will earn at least .5 points for the College & Career Readiness Index (CCRI)
Measurable	Achieve a 10% increase in positive feedback regarding communication effectiveness, as measured through surveys (as compared to the previous year's survey).	Achieve a 5% increase, per quarter, in the average daily attendance (tracked through Infinite Campus)	Track student progress through Infinite Campus, ensuring that each student completes at least 1.5 credits per quarter.	Track student progress as determined by data prepared by the district research department
Achievable	<ul style="list-style-type: none"> Staff post at least once a week on ParentSquare Inform parents on student progress w/weekly phone calls Implement a quarter orientation for new students and their parents School rules & expectations covered by each teacher first week of school Daily due process announcements from admin daily Implement a homeroom period where staff will perform team building activities with students as well as academic progress activities 	<ul style="list-style-type: none"> Clear expectations will be set at orientation meeting for new students and their parents First week, each teacher presents on the negative impact of poor attendance Students have an "Orange Lanyard" reward system for no tardies or absences each week Students receive progressive discipline for having tardies (detention, OCR, suspension) Daily calls on all absences Students in extreme situations will meet with administration and/or the TOSA to placed on a probationary contract Team building activities planned to encourage student attendance 	<ul style="list-style-type: none"> All students & families receive a current transcript at the new student orientation A year-long plan is made for each student Students are able to test out of courses (and earn credit) at the start of each quarter Online credit recovery course are offered for core classes Semester long classes condensed to a quarter for rapid credit recovery Zero hour available for an additional credit-bearing class Work study credit available for working students "Orange Lanyard" status awarded for good grades Academic Enrichment embedded into daily schedule for students struggling in their classes 	<ul style="list-style-type: none"> ACT Committee created to address specific skills that can be taught campus-wide CCRI Committee created to analyze current points being earned as well as potential points All seniors will take the ASVAB and fill out the FAFSA The committee will look into internships in alignment with work study CCRI Committee monitors the district spreadsheet, focusing on students currently at zero points Due to limited courses at Sundown, focus mainly on Work Based Learning points

<p>Relevant</p>	<p>Enhancing communication aligns with the school's commitment to fostering a supportive and collaborative educational environment.</p>	<p>Improving attendance is crucial for enhancing student engagement, academic performance, and overall school success.</p>	<p>This goal directly addresses the school's mission to assist students who are behind on credits, ensuring they stay on track for timely graduation.</p>	<p>This goal is directly related to the school's goal of students being college and career ready upon their graduation.</p>
<p>Timely</p>	<p>This goal is to be achieved by the end of the school year, however a survey will be sent out to parents and students after the first semester. This data will help determine if any adjustments need to be made to goals or action steps.</p>	<p>An attendance and tardy report will be run at the end of quarter 1. The data will be compared to quarter 1 data from the year prior. This data will help determine if any adjustments need to be made to goals or action steps.</p>	<p>Quarterly reports ran to determine the student's credit status. On-going grade monitoring to determine the best academic program for each individual student.</p>	<p>This goal is monitored quarterly as new students enroll at Sundown.</p>
