

SCHOOL NEWS

WESTERN PEAKS ELEMENTARY SCHOOL

Good Afternoon Falcon Family,

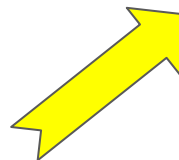

It has been a great first few days of school at Western Peaks!! Students across the school learned that our Falcon Family expectations are to be respectful, responsible and kind! Ask your children if they earned a Falcon Wing yet and what they earned it for!

Parent Drop-Off & Pick Up ~ Thank you for your cooperation and patience during arrival and dismissal. **Please remember that if you are using the drive-thru lane, you must remain in your vehicle and continue to pull forward as space allows.** If your child needs assistance, staff can help, or you are welcome to park in the parking lot. Thank you!

Very Important: Annual Student Update ~ All parents must complete the Annual Student Update for each child enrolled in our school. This must be done online via the Parent Portal. Click [HERE](#) to access the Parent Portal. Please get this completed ASAP, as it contains important contact information updates, emergency contacts, permission for technology and medications, etc. Please note: If you have a Yahoo email address as your preferred email, you may not receive emails from the school and teacher. Our system does not communicate well with yahoo.com.

Complete a Free/Reduced School Meal Application ~ If you are in need of free or reduced school meals, you will need to complete a Free and Reduced Lunch Application for this school year, which helps maintain school funding and ensures that qualified families will continue to receive free or reduced priced meals. You can complete the application at SchoolCafe.com.

Sincerely,
Principal Brown
