## ELEMENTARY SCHOOL

Western Peaks will continue to foster Dysart's approach to education:

**The Three A's:** At WPES we have a strong commitment to the three A's:

**Academics:** You will see challenging learning at every grade level. It is vital for our young students to master foundational skills to prepare them for the next grade level and beyond. Also, you will continue to see strong intervention support systems in place to ensure the success of ALL students.

**Athletics:** As a primary school, we will offer athletic clubs as extracurricular opportunities for your child. This is in addition to our Physical Education program.

**Arts:** In addition to our Visual Arts & Music programs, we will offer extracurricular opportunities for your child to gain further exposure to art & music. We will also be adding additional events for our students to showcase their talents to their families.

**Punctuality and Attendance:** Being on time and being present is an expectation at WPES. Missing time in class does impact a child's learning. Our doors open at 8:40 am and students must be in their seats by 9 am. Thank you in advance for helping your child ensuring he/she is at school, and on time each day.

**Communication:** You will receive a monthly newsletter in your email from Principal Brown. Please make sure that your contact information is up to date in the Parent Portal. This information will also be available on our school website. As well, your child's teacher will send out a weekly email blast with important information about content that is being learned, homework, and reminders. Please read these emails each week.

We look forward to working with all of you as we prepare our students for success!

Be on the lookout for a volunteer survey which will be emailed to you in the near future.

**ADDITIONAL IMPORTANT INFORMATION** - Several important documents are included with this letter. Please pay especially close attention to our Drop-off & Pick-up Procedures.

The following procedures are used to improve the safety of students walking/biking to school, as well as improve the flow of the curbside drop off and pick up area. We ask for your patience in the first few weeks of school while everyone is adjusting to the procedures. Please teach your children to remain on the sidewalks and to use crosswalks as they walk/bike to school, always watching carefully for traffic.

Student safety is a top priority. All parents/guardians and students are to follow our drop-off and pick-up procedures listed below. Only the curbside drive-thru lane should be used for drop off and pick-up.

- **At Meet the Teacher Night, parents should pick up a color-coded tag for each student at the school. You will get this from your child's teacher and write your child's first & last name on it. This needs to be placed on your dashboard so that it is visible during parent pick up times all year, as it will make the process quicker.**
- **The parking lot may not be used as a place to drop off or pick up your student. You may not wait for students in the middle of the parking lot or stop behind cars in parking spaces.**
- **Students will not be allowed to move through the parking lot or cross the crosswalk without an adult escort.**
- **When entering/exiting a vehicle in the drive-thru lane, all students must enter/exit on the passenger side of the vehicle.**
- **Do not leave your vehicle while in the drive-thru lane. If you need to exit your vehicle, even for a short time, please park in the designated parking lot spaces only.**
- **The flow of the pick-up/drop off lane is one way, entering from Surprise Farms Loop South.**
- **As you turn into the school, there will be two lanes. The first lane, on the right, is for Preschool drop-off/pick-up only. All other cars (K-4) should enter the left lane and proceed ahead. Please follow signs & directions of staff who will be controlling the flow of traffic and will signal you to pull ahead as space permits within the drop off lane.**
- **Staff will be available to assist students into vehicles when the vehicles reach the loading/unloading zone.**
- **In order to push as many cars through the pick-up lane, we ask for your assistance when asked to proceed to the next open space.**
- **The west side parking lot is to be used by buses and staff only. This is not a student drop off zone.**

**Please stay highly alert, off of your phone, and drive slowly through the drive-thru lanes and parking lots. We appreciate your patience daily as you drop-off/pick-up your child, as well as your respect towards staff and other parents. Our children's safety is too important!**

## Morning Arrival Procedures for Parent Drop Off 2023-24

Our school start time is 9:00 am and breakfast is served from 8:40 - 8:55 am. Gates & doors will open at 8:40 am and students will report directly to classrooms to begin their day (or to the cafeteria to eat breakfast, and then directly to the classroom). Students are not to arrive before 8:40 am, as supervision does not begin until that time. Class begins promptly at 9:00, so all students must be in their seats, ready to learn at 9:00 am. Please remember that if your child is not in the classroom by 9:00 am they will be marked tardy. For a tardy to be excused, the parent must call or come into the office.

**Preschool:** Use the designated drive-thru lane to drop-off your child. Staff will be curbside to have you sign your child in for the day. If you need to exit your vehicle to assist your child out of a carseat, please do so very quickly so that we can pull the next vehicle forward. Preschool students should arrive approximately 5 minutes before their session start time. We will not sign preschool students in until approximately 8:50-8:55 am & 12:50-12:55 pm daily.

**Kindergarten & 1st Grade:** Kindergarten & 1st grade students will enter the building through the double doors by the Library. If you are walking your child to the doors, you will need to park in a designated parking space in the front lot. Students will not be allowed to cross the crosswalk without an adult escort. **Do not leave your car while in the front drive at any time.** Kinder & 1st grade bike riders will use the courtyard bike racks to secure their bikes. Staff will be on duty to ensure your child finds their way from the double doors to the classroom. Parents are not permitted to enter through these doors into the building.

**2<sup>nd</sup>- 4<sup>th</sup> Grade:** Students will enter through the courtyard gates and then proceed immediately upstairs to their classroom, with the exception of students who are eating breakfast.

## Afternoon Dismissal Procedures for Parent Pick Up 2023-24

**Preschool:** Use the designated drive-thru lane to pick-up your child. Staff will be curbside to have you sign your child out for the day. If you need to exit your vehicle to assist your child into a carseat, please do so very quickly so that we can pull the next vehicle forward.

**Kindergarten-4<sup>th</sup> Grade:** Students in Kindergarten-4<sup>th</sup> grade are dismissed from school at 3:45 pm Tuesday – Friday, and at 1:45 pm on Mondays. Teachers walk students in grades K-3 outside each day to their designated grade level areas. K-3 students will be assembled by grade level. Older siblings will go to the younger siblings' grade level to pick them up or wait for parents. Students will need to be picked up no later than 3:55 pm each day and 1:55 pm on Mondays. Students who are not picked up promptly will be brought to the office and parents will be notified.

## Bus Riders

The buses will drop off and pick up students in the bus lane which is located by the west side staff parking lot. Staff will be on duty to supervise students. Upon arrival, students will enter the building and go directly to class, or to the cafeteria if they are having breakfast first.

## Afternoon Dismissal Procedures for Parent Pick Up 2023-24

# Transportation Eligibility - BUS

It is the mission of the Dysart Unified School District's Transportation Department to transport students to and from school in a safe, efficient, dependable, professional and courteous manner, while providing the highest quality of support for educational programs by delivering the best possible transportation services.

Bus transportation is not mandated by the legislature, but a privilege offered by the Dysart Unified School District. Transportation service will be offered to:

- **Elementary Students** - Kindergarten through eighth grade students who are residents within a school attendance area and who live **more than one radial mile** from school.
- **High School** - Ninth through twelfth grade students who are residents within a school attendance area and who live **more than one and one-half radial miles** from school.
- **Special Education Students** - Students with disabilities who require transportation, as indicated in their respective individual education programs.

All other students will be considered ineligible for transportation to and from school. Generally, non-students are not eligible for school transportation. Non-district students or adults are not permitted on school buses on regular routes without approval from the transportation director. As new schools open in the district, these guidelines shall be reviewed and revised as necessary.

Students who are not eligible for bus transportation, such as students within walking boundaries and Open Enrolled students, may apply for District transportation on a regular education bus route within the attendance boundaries of the school to which the student is enrolled. The Transportation Application is an online process and must be submitted via the Transportation Application link. ([www.dysart.org](http://www.dysart.org), transportation, transportation eligibility, scroll to bottom, CLICK on Transportation Eligibility Application for the school year, apply)

There are no established bus routes for Freedom Traditional Academy, therefore the Transportation Eligibility application is not applicable for this school.
