PRINCIPAL'S MESSAGE

Hello Dysart Families, It is a pleasure to welcome you to the 2023 – 2024 school year! I am extremely proud to serve as the Principal of this amazing learning community for the 3rd year and to continue to support the students of Dysart High School! Dysart High School is an institution in the community that takes great PRIDE in serving our students and families. We are looking forward to a positive school year full of learning, opportunity, and community. Please join us at one of our many school events; take in a football game, join us at one of our plays or dance recitals. We have many opportunities for our families and students to make positive contributions to Dysart High School and we can't wait to meet you!

ASSISTANT PRINCIPAL'S CORNER

Hello Demon Nation,
I want to introduce myself to you as I am the new Assistant Principal over Curriculum and Instruction at Dysart High. I have been in the district since 2014 in a variety of roles. I have had the pleasure of working with many talented and student driven professionals during my time in the Dysart Unified School District. I was a teacher and an administrator intern at Willow Canyon High School; I was the Exceptional Student Services Specialist at Shadow Ridge High School, Dean of Students at Luke Elementary, and Assistant Principal at Sunset Elementary prior to my appointment here at Dysart.
I look forward to serving this community and building relationships with the students of Dysart High.
It's a great day to be a Demon!

ATHLETICS NEWS

Dysart High School hosted a dedication ceremony for their new turf field before the first varsity football game of the 2023-2024 season. The ceremony included local dignitaries, district and school leaders speaking on the area, and a ceremonial ribbon cutting. The field showcases beautiful new turf, which boldly displays school spirit and will provide students with a great surface to play, run, march, and participate in activities. The turf field comes as Dysart High School celebrates its 60th Anniversary after officially opening for the 1963-1964 school year.
