## DEMON PRIDE

### IMPORTANT MESSAGE

Dysart Nation,

This has been a great semester. Thank you for being the amazing community that you are. We appreciate each one of you. We have a few reminders as we get ready to close out semester 1 of the 2023-2024 school year.

#### Final Exams:

Your student should be getting study guides to prepare for Final Exams. We strongly encourage them to take their time and do their very best as this will help to prepare them for success for the end of semester exam.

Final Exams will be held on Thursday, December 21 and Friday, December, 22.

\*Please note: Both days are early release. Students will be released at 10:30 AM on both days.

#### Course Selection:

Your students have recently been involved in the course selection process. They worked with their English teachers and Counselors to complete the process. We do want to provide you with a couple of reminders.

1. Students may NOT change their elective choices once submitted. Staffing and classes are built based on the course selection sheets provided. Your student was reminded of this and asked to be very careful when numbering their electives.
2. If a student does not submit their form to their teacher, the counselors will pick electives for them and they will not be able to request different ones.

#### Extension:

The Extension Program will run from January 16 to February 1, Tuesday through Thursday, from 2:30 to 4:30 PM. For those unfamiliar with the program, Extension is a 3-week program where students who have earned 50-59% in a class will be able to revisit significant course concepts that need to be mastered to make a passing grade (no more than a C). Students will be expected to complete all assignments, activities, and assessments during the extension session, and depending on a student's final semester percentage, students may be able to complete more than one extension course. Once students have met the requirements, they no longer need to attend the Extension program. Forms will be available for students the week of December 11.

\*Disclaimer\*

Extension classes will be provided based on availability to secure course instructors. Not all classes will be available. More information will be coming in the next few weeks.
